

JOHAN DE WITT LEARNER PROFILE

AS JDW LEARNERS WE STRIVE TO BE:

1 INQUIRERS

We are curious and eager to learn, asking questions to expand our knowledge and committing to lifelong learning.

2 KNOWLEDGEABLE

We develop conceptual understanding, critically examining local, national and global issues from multiple perspectives.

3 THINKERS

We think critically and creatively before taking action, always striving for the best outcome.

4 COMMUNICATORS

We express ourselves confidently and creatively, including in our home language, and listen carefully to the perspectives of others.

5 PRINCIPLED

We are honest and responsible, acting with integrity both offline and online.

6 OPEN-MINDED

We value our own culture and that of others, remaining open to different perspectives and withholding judgment.

7 CARING

We respect others, striving to make a positive impact on the world and being ready to help.

8 RISK-TAKERS

We approach new situations with courage and common sense, believing in ourselves.

9 BALANCED

We maintain a good balance between mental and physical health, being aware of our impact on the world.

10 REFLECTIVE

We think about our ideas and experiences, understanding our strengths and weaknesses, and making sustainable choices.

The Johan de Witt Scholengroep aims to educate students to become confident, well-informed, and socially engaged global citizens.
